### Features:

- MDE2 Video Resolution is 720 X 480 High Definition, records in MPEG2 Directly to SDHC Memory Cards.
- Touch Screen controls just like the Apple iPhone - No old fashion buttons.
- No Trunk Mounting - No Rear Mirror mounted unit that suspects can Steal off the window after assaulting an officer.
- New - All MDE2's Are 802.11n Wireless Video File Transfer enabled. No laptop or MDC required for file transfer. Secure and Automatic file transfer upon successful connection to the Police network. Total Integrated Wireless Download Solution.
- License Plate Auto Zoom. Just push the ZOOM button on the touch screen and the camera will Zoom in on the license plate, focus for 3 seconds and zoom back to its original setting.
- Radar Interfacing Cable displays radar info onto the touchscreen for recording.
- Pre Alarm, capture up to 2 minutes of video prior to record activation.
- Built to withstand Temperatures from -40 Fahrenheit to +190 Fahrenheit.
- 2.4GHz Digital Wireless Microphone - 40 digital channels ensure multiple systems can operate in close proximity without interference.
- Wireless Mic Auto Activation - the MDE2 automatically turns on the wireless microphone whenever the system is activated. Likewise the wireless microphone can activate the MDE2. This means never worrying your officer forgot to turn on their audio recording.
- Optional Accessories, Automated WIFI File Transferring/Downloading, Rear Facing Camera, Suspect Cabin Microphone, Radar Interfacing Cable, GPS, Crash Sensor, Live Streaming Video.
- The Only Digital Video System on the Market today that is rated Military 810F Durable.

2 Piece Universal Mount
